## Our story

For over three decades, the Vasiliás Nikoklis Inn has been providing an unforgettable experience in the breathtaking Diarizos Valley of Paphos, Cyprus. Our family-owned inn offers a rustic, charming atmosphere, perfect for private events and special occasions. Since 1983, we have been creating cherished memories and are proud to continue providing a unique and memorable experience.

Dating back over 100 years, Vasiliás Nikoklis Inn is steeped in a long and fascinating history. Said

to have been a khan or travellers rest, the building that now forms the ground floor was gifted to Tassos and Dora Konstantinou as a wedding present. Now owned and managed by the current generation of the Konstantinou family, the Inn has been thoughtfully renovated to retain its original charm while blending seamlessly with the natural environment.

Vasiliás offers a delightful combination of classic country style surroundings and modern amenities. Moreover you will be welcomed with a warm, Cypriot-style hospitality and feel like home!
